Dr. David B. Wheat
309A Morrison Dr. Clinton, MS 39056
Phone 601-924-1877

PATIENT NAME _____ DOB _____

PHONE # WHERE WE CAN CONTACT YOU: _____

This is to help you keep track of the information that the doctor has requested. Please check your blood pressure at times when you are relaxed. Notify us immediately IF your results are greater-than 200 for systolic (top number) or 100 for the diastolic (bottom number) for more than 30 minutes, otherwise please report to us BEFORE you run out of your medication or after you have completed the chart. Our office number is 924-1877 and our fax number is 601-924-1871.

DATE	TIME	BLOOD PRESSURE	ACTIVITY JUST BEFORE TAKING BLOOD PRESSURE
