—EARL'S VEGUCATION CORNER

Ecological Packaging Alternatives

Earl's Organic Produce partners with over 300 organic growers to provide an abundant inventory of organic fruits and vegetables every day of the year and we are committed to encouraging our growers to provide alternative packaging. We trust in turn that you will offer these ecological alternatives to your customers. The list below continues to grow.

- Grapes in recyclable cardboard 3# baskets and 2# paper totes (NOTE: This is not a ReadyCycle product)

ReadyCycle Pints

- Mixed Medley Tomatoes
- Straight Pack Cherry Tomatoes
- Mini Mix Peppers
- Watermelon Gherkins

All items are subject to availability. Call your Earl's sales representative for more information.
