

## Rehearsal

A rehearsal is usually held two nights prior to the wedding at which the Bride and Groom, Best Man, Father of the Bride and Chief Bridesmaid only should be in attendance. It usually takes about 30-45 minutes. If your Banns have been read at your local church, you must produce a Banns certificate in order for your wedding to go ahead.

## Some helpful information...

### Getting married at St. Thomas a Becket

There are several different ways in which couples may qualify to marry at St. Thomas a Becket. These are as follows:

Either the bride or groom:

- has at any time lived in the parish for a period of at least 6 months **or**
- was baptised in the parish concerned **or**
- was prepared for confirmation in the parish **or**
- has at any time regularly gone to normal church services in the parish church for a period of at least 6 months **or**

That one of your parents, at any time after you were born:

- has lived in the parish for a period of at least 6 months **or**
- has regularly gone to normal church services in the parish church for a period of at least 6 months **or**

That one of your parents or grandparents:

- was married in the parish

In all cases involving church services - ie going to normal church services, baptism, confirmation or marriage - this applies only to Church of England services.

### Banns

Most couples marry 'by Banns' – legally, 'Banns' need to be published before a wedding and this usually takes place within the main service on three separate weeks approximately 2 months prior to the ceremony.

If one or both of you lives outside of this parish then Banns must also be read in the corresponding parish of residence (please speak to the Parish Administrator about this).

Some situations require a Common Licence which the Vicar can discuss with you. If either of you has been married before, the Vicar will need to visit you at home to ensure that the Bishop's guidelines are met before a wedding can be arranged.

### Fees

There are fees payable for your wedding, which are set annually by the Church Commissioners, together with locally set fees for the Organist, Choir, Bells and Verger.

In 2019, the fees for your wedding will be:

- *Hampsthwaite PCC: £207 (Diocesan fee)*
- *Hampsthwaite PCC: £248*
- *Hampsthwaite PCC: Publication of Banns £30*
- *Organist: £75*
- *Choir: £60*
- *Bells: £120*
- *Verger: £30*
- *Heating (if necessary): £75*

**Please note that all church fees must be paid by 2 months before your wedding date.**

Please note that at the end of the wedding ceremony on the wedding day, your guests will be invited to contribute towards the work of the church, in the form of a 'retiring collection'.

### Order of Service

We usually have plenty of recent wedding service sheets for you to look at, which also provide insight into popular readings and hymns. A template is available on our website.

Do also have a look at the Church of England's wedding website: [www.yourchurchwedding.org](http://www.yourchurchwedding.org) which is another great resource for your wedding preparations.

### Wedding Preparation

You will need to contact the Vicar or priest conducting your service to arrange to visit you at home (providing you are relatively local) about two months before your wedding to begin to help you put your Order of Service together and to prepare for your marriage. This takes around one and a half hours and is a good way of getting to know each other, so that by the time of your wedding, you can feel as well prepared and relaxed as possible.
