

Think outside

*If we take seriously the notion that learning is a consequence of thinking, then thinking--in all its forms: critical, creative, and reflective--needs to be a part of every lesson we teach.*

Ron Ritchhart (author/researcher)

*Inventive thinking is prized in the 21<sup>st</sup> Century and a successful individual needs to develop and cultivate these essential life skills.*

The enGauge report

*Schools must prepare students for a different workplace—one that values innovation, imagination, creativity, communication, and emotional intelligence.*
