

# Presents Inaugural Leadership Program 2019-2020

This inaugural interactive program provides participants in-depth awareness of the communities served in the Greater Lantana area. Participants will have the opportunity to understand key issues facing the communities and businesses with them. It will unite individuals who be able to be effective contributors to making significant improvements in our area.

Participants meet for one-full day each month from October to May, and travel as group on a bus.
