Committee Reports Fishing:

Lake Erie fishing is good. Full daily limits being caught, some days ended early

Archery: Archery targets arrived

Food & Pheasants: Pheasants scheduled to arrive before next meeting. Work day to be scheduled for June 19th @ 5pm, meet at Bill Mueller's house

Rabbit Hunt: Nothing

Crow/Predator Hunt: Nothing

Deer Classic: Nothing

Trap: Seems to be going good. 1st week had an issue with a thrower. Donny got it working but it will need new parts. Parts ordered. 1st week turnout was great

Doug Winter to run Wednesday trap this week. We will need people to help next week since this is the week that trap shooters can use to make up league scores, if needed. Donny may ask you for help if you are down here.

August 25th is the next shoot. Please sign up if you can. It makes it much easier to plan and schedule when people are signed up.

Raffles: If you got donations last year for the raffle, please check with Matt M for this year.

OLD BUSINESS:

Door sweep is on

Catch basins are in and working on them this week

Question for club rentals regarding timing when there are back-to-back reservations on the schedule. Please work with those who have following rentals to plan the timing for clean up.

A comment was made that club looks great after Thursday nights of trap. Those that are cleaning up are doing a GREAT job! Big thanks!

Moving trees – There are some congested pines on the east property line. There are about 20+ Black Hills Spruce that need to be moved. Bill Eberhardt was contacted to move the trees and the quote was \$1000. Donny checked with Mid-State Equipment and it was \$400 to rent a skid steer with a tree spade.

Motion was made Shaun Kultgen, second by Jamie Vorpahl to move forward with the skid steer rental.
Donny will call Mid-State and work out.

Rentals: Dec 14, 2019 – Jan Glander, Motion to approve by Bob Lehman, second by Tom Dehek
