

## KIDS NEED KIWANIS

Kiwanis helps kids around the world. Local clubs look out for our communities and the international organization takes on large-scale challenges, such as fighting disease and poverty. We are generous with our time. We are creative with our ideas. We are passionate about making a difference. And we have fun along the way.

For more than a century, Kiwanis has created opportunities for children to be curious, safe and healthy regardless of the community in which they live. When you give a child the chance to learn, experience, dream, grow, succeed and thrive, great things can happen.

### THE KIWANIS MISSION

Kiwanis empowers communities to improve the world by making lasting differences in the lives of children. The Kiwanis Club of South Lake donates volunteer hours and funds to many programs for the kids in South - Lake County.

Example: The Terrific Kids programs at 5 elementary schools. Key Club at Lake Minneola high school. K-Kids Club at Minneola Charter elementary school. Aktion Club. Programs like: Feeding kids for the summer, backpack program with the Sheriff's department, Sea Cadets, district diaper drive, scholarships, Head Start Christmas party, Boys & Girls club, and many other needs brought to our attention throughout the year.
