

Subject: Account Review

Jack,

Pursuant to our phone conversation prior to April 15, 2019 I am now sending you an email confirming that I did review the WMOTA checking and savings accounts for the years 2017 & 2018. And will be happy to do so for 2019, when the year has come to a close.

I reviewed the individual statements for each month & I reviewed Karen's transaction history of the transactions for each year.

Nothing came to my attention that was out of the ordinary. All appeared to be regular and or routine transactions.

Therefore, I feel that the funds of the WMOTA have been handled appropriately for the years 2017 & 2018.

Sincerely,

C W 'Buzz'
