February Program

a big hit!

The light installation at Montalvo was absolutely breathtaking! This astonishing exhibit by artist Bruce Munro featured 10 light-based works utilizing multi-hued waves and seas of illumination. President's Message

Hello Dear Members!

Finally, our cold and wet winter is ending. Spring brings new life, and opportunities for us to grow creatively and socially. The Guild is asking members to share their time and experience serving on our Board and committees. Stop and think for a minute, where would you like to help:

Perhaps arranging our appetizer tables at Gallery Show openings or when we provide a few refreshments during our art workshops? Do you like parties & creating a theme? We need creative members to do decorations. Are you good at organizing and getting things done? We can put your skills to work in our Holiday Show and other projects. Have you ever worked on a newsletter? The photos and articles are already written-- they just need someone with a good eye to arrange them. If any of these areas interest you, let's talk!

Also, please invite your friends and neighbors to join. We welcome new members who want to volunteer with us and share their ideas and creativity. We also hope you will invite them to attend future meetings, workshops and field trips.

In the meantime, enjoy our days of sunshine and big blue skies.

Thank you,

Elaina Habel,
President
