

Aural Rehab Workshops

Learn about hearing loss and new technology with different topics every month.

Our free classes are for hearing aid & cochlear implant recipients or those with hearing loss interested in amplification or cochlear implants. Friends and family are encouraged to attend!

9:30 - 11:30 a.m.

Classes begin **October 2, 2019**. Check-in at the Carls Center front desk.

Light refreshments will be provided.
