

PS 130 PTA Meeting Agenda - November 14, 2018 PS 130 PTA Meeting Agenda - November 14, 2018

Call to Order

Reading of Minutes

**Principal's Report:**

**Health Committee** - Ms. Theresa & another teacher announced that they are looking for parents who can lead health and wellness activities in the classrooms this year (last year they had a grant, but this year, they'd love to use the parent community for this).

**Treasury Report** - Owen reviewed the income from Fall Fest (approx 15K), as well as expenditures (payment for recess coaches & BioBus). Explained that our payments were approximately \$69K, which puts us at a deficit, but that this is to be expected as we paid out expenses early in the year.

**Presidents' Report:** Bio-Bus; FabLab MakerSpace - teachers have been going to training bike corrals at the US

SLT Report - there hadn't been a meeting since the last PTA meeting, so no new updates

**Trust For Public Land** - Lisa explained the collaborative design process and that the 1st grade students are working on persuasive letters. Question was asked about the timeline of construction. Jenny clarified that construction on the LS will end in 12/2018, scaffolding will come down gradually in the spring of 2019, and then construction will start again on the schoolyard in March of 2020 (sounds like this is the rough plan). A survey will be coming home for parents to give feedback about the design

**Expenditure Request**

- **\$450 - Keyboards for Ms. Sorenson** - approved

New Business

- **New Fundraiser: Nets School Squad** - approved

**Health & Nutrition: Wellness Workshop** - Mindfulness (I didn't get the date, sorry!) and Healthy Eating

**Holiday Gift Drive** - Eleanor showed the poster, explained the process of how families are identified, and explained how to donate. Last year, created 101 bags. Will need volunteers for gift bag creation (need to get the date from her for this)

Old Business

**Science Committee** - thank you for help with cleaning out closet, asked for volunteers to help prep materials for class and for emergency chaperones

**Annual Appeal** - reviewed that we are approximately halfway to goal of \$40K and reminded about Giving Tuesday
