FROM THE BULLETIN OF THE YOUNG ISRAEL OF CHOMEDEY
SEPTEMBER 1964**

More than ever in the past, in view of our building and membership expansion anyone Interested in joining the Men's Club and participating with us should call Phil Shears, President of the Men's Club.

Our Sisterhood is well organized and has arranged some wonderful programs for the coming season. We in Sisterhood must realize that our work has to do with the heart and soul of Jewish living. We are building not only a Synagogue structure but an entire way of life for ourselves and our community. We hope that you will be moved to join us at our meetings and functions. Florence (Flori) Eichenbaum Sisterhood President
