

**MEMORY LANE #32 (EDITED)  
FROM THE BULLETIN OF THE YOUNG ISRAEL OF CHOMEDEY  
FALL/WINTER 1966**

We started our drive for advertisers in our program book for our upcoming show in September but no objective was set as to the amount of money we hoped to raise, although we felt that \$10,000 might be possible. To date we have over 100 advertisers and so far we have reached \$6000.00 as of December 1st. It looks like we have another smash hit on our hands with "MY FAIR ZAIDY". The show is starting to take shape and Abe Levine and Lil Silverstein are doing an excellent job in directing it. The chorus and dancers choreographed by Minnie Granofsky are doing beautifully. Claire Wald has designed the most beautiful costumes and last but not least Cornell Gross and Irving Fixman and their crew have designed and built the most fantastic scenery imaginable.

Requisitions for tickets are available on a first come first served basis. For ticket information please call Barbara Fishman; Evie Levine or Anna Katz

**IMPORTANT MESSAGE FROM THE PARNISSIM**

We have now served your Shul for the past eight months and would like to make the following observations for your consideration:

It is our aim to consider everyone when honoring our regular members, however there are many factors which prevent us from fulfilling our duties properly. The many Bar Mitzvas etc. taking place in our Shul reduce the number of Aliyas available to our Congregation. As much as we try, to satisfy everyone who regularly attend services we are only human, and unfortunately it is inevitable that some of you are left out for extended periods of time. We ask your co-operation, and if we have accidentally overlooked you, please contact either of us and we will endeavor to include you in the "Honors List" at the earliest opportunity.

**Sam Goldberg and Julius Orbaum Co-Parnissim**

**(Yashor Koach to Fred Rudy** for providing us all with these memorable historical moments, which some of us may still remember!)
