SHSH has a large Kiddish on Sept 28th, which will take place in the basement, consequently there may be no Kiddish Club on Sept 28th.

HIGH HOLIDAYS b): Seat sales are moving at a brisk pace for the High Holidays. Please call the office to make sure you reserve your seats as soon as possible. It is anticipated that the seating arrangements will be very similar to last year according to each member's preferences, and to the best of our abilities. Please let the office know of any special requirements you may have with respect to such seating arrangements as quickly as possible. We have exactly 3 weeks until Erev Rosh Hashana with lots of work still to be done. Help us to make it easier by being as early and as concise as possible with respect to your requirements. I am sure we are all looking forward to a beautiful Holiday service with our own Rabbi Banon and Rabbi Stiefel, and with all of you in attendance.

REFUAH SHLEMA: a) To Mr. Aaron, who I was told is in the hospital, and **b)** to everyone not feeling well, a **REFUAH SHLEMA** as fast as possible in time for the High Holidays.

This picture appeared in last week's Canadian Jewish News showing a new cooking class at the Cote St Luc Men's Club. Now that they know how to grill chicken, stir fries, etc etc, we may be asking our long time member Larry Shadowitz, 2nd from left, to become our new caterer as soon as he graduates. Remember - you read it here first!

Western Wall Complex - 2019

Urgent

Please note that there will be an emergency General Assembly meeting on Wednesday Sept 11 at 8 PM at the shul, right after evening services. The only subject on the agenda is the impending sale of the Chevra Mishnayis building to an outside buyer. It is important that we have as many members as possible present, to finalize the sale of the building.

PARSHAT HASHAVUA - WEEKLY TORAH PORTION
The Parshah in a Nutshell

Ki Teitzei

Deuteronomy 21:10–25:19

Seventy-four of the Torah's 613 commandments (mitzvot) are in the Parshah of Ki Teitzei. These include the laws of the beautiful captive, the inheritance rights of the firstborn, the wayward and rebellious son, burial and dignity of the dead, returning a lost object, sending away the mother bird before taking her young, the duty to erect a safety fence around the roof of one's home, and the various forms of kilayim (forbidden plant and animal hybrids).

Also recounted are the judicial procedures and penalties for adultery, for the rape or seduction of an unmarried girl, and for a husband who falsely accuses his wife of infidelity. The following cannot marry a person of Jewish lineage: a mamzer (someone born from an adulterous or incestuous relationship); a male of Moabite or Ammonite descent; a first- or second-generation Edomite or Egyptian.

Our Parshah also includes laws governing the purity of the military camp; the prohibition against turning in an escaped slave; the duty to pay a worker on time, and to allow anyone working for you—man or animal—to "eat on the job"; the proper treatment of a debtor, and the prohibition against charging interest on a loan; the laws of divorce (from which are also derived many of the laws of marriage); the penalty of thirty-nine lashes for transgression of a Torah prohibition; and the procedures for yibbum ("levirate marriage") of the wife of a deceased childless brother, or chalitzah ("removing of the shoe") in the case that the brother-in-law does not wish to marry her.

Ki Teitzei concludes with the obligation to remember "what Amalek did to you on the road, on your way out of Egypt."

60th Anniversary 1959 - 2019

PART ONE OF A 60 YEAR RETROSPECTIVE THE BACKGROUND OF THE JEWISH CONGREGATION OF ST.MARTIN (1959

"HUMBLE BEGINNINGS"

The Jewish Congregation of St.Martin had its humble beginnings in the minds and hearts of a handful of new suburban residents who dedicated themselves to the establishment of a true Orthodox Synagogue to serve the needs of an expanding Jewish community in Laval County.

The first Jewish settlement in St.Martin was concentrated in an area East of what was known as "The Laurentian Highway" (Labelle Boulevard). It was known as the "Mayfield Project". The original charter members with faith in the prophetic future, purchased a 6 room bungalow which now serves as the present headquarters of the "Congregation of St.Martin" at 1859 Romiti Street in St.Martin.

The entire upper level has been completely renovated and sectionalized into classrooms that accommodate an amazing total of 120 children daily! The downstairs room with a seating capacity of 60 serves as the chapel where minyanim are held regularly on weekdays and Shabbos.

During the summer of 1959 our membership soared past the 250 mark, and with the arrival of Rabbi Solomon Spiro as our spiritual leader, various activities associated with the Shul organization were intensified.

The Ladies Sisterhood which raises funds through organized social functions is by far the most potent force behind our Synagogue movement, and our Men's Club provides the working corps for all of the Shul's major undertakings.

The membership at large has pledged to work untiringly during the coming year towards the practical realization of its dream of holding High Holiday Services in 1960 in our own Synagogue building! The congregation looks forward with pride to its membership in the unique family of Synagogues bearing the name of "Young Israel", and its dedicated ideals of furthering true Orthodoxy, Brotherly love, and Mutual Assistance.

(Yashor Koach to Fred Rudy for providing us all with these memorable historical moments, which some of us may still remember!)
