

SaddleBrooke Hiking Club 2019 Programs

HIKING IN THE SAN JUAN MOUNTAINS
4:00 PM, Wednesday, May 15, 2019
HOA#1 Activity Center

The May program is titled **Hiking in the San Juan Mountains** and will be presented by Randy Park and Susan Hollis. The San Juan Mountains are a collection of mountain ranges in Southwest Colorado - a one-day drive from SaddleBrooke.

This presentation will be a narrated slide show that will show the wondrous beauty and diversity of the San Juan mountains and provide a preview of the September hiking club trip to Durango, Colorado. We will feature not only trails, but mountains, valleys, rivers, towns, and wildflowers. If you are thinking about going on the club's Fall trip this year, this will be a program you will want to attend.

Residents of SaddleBrooke are invited to attend the meeting at the HOA #1 Activity Center at 4 p.m. on May 15th. Remember there is no street parking near the Activity Center. You do not need to be a member of the hiking club to attend. Following the talk, participants are encouraged to meet for happy hour at the Agave Lounge at the SaddleBrooke Clubhouse.
