Catering & Food Service

The Freeport Club does not provide food service for banquets (depending on the size of the event). We do however allow our guests to use any caterer they choose to provide the food service for their event. Caterers must have all appropriate food service licensing & they must sign our catering agreement. All pricing and food costs quoted by the chosen caterer are the responsibility of the event host. There will be a fee of \$2.00 per person to cover costs of Freeport Club Staff to complete cleanup of any dishes used.
