Antietam Valley Community Partnership

The Carsonia Craft Beer & Wine Amusement (CCBWA) celebrates its 5th Anniversary on Saturday, October 12, 2019! The Antietam Valley Community Partnership (AVCP), a 501(c) (3) organization, will once again host this 700-participant event, which has grown into a regional favorite. All four years of our event have SOLD OUT, and CCBWA now seeks sponsor partners for our community fundraiser for the continued restoration and renovation of Crystal Lake and Carsonia Park. Revenue for this event will also carry on AVCP's wider mission of improving the quality of life within the Antietam Valley.

To date, CCBWA has raised over \$70,000 for matching grants towards the restoration and renovations in our community's beloved Carsonia Park. Improvements have included construction of the basketball and volleyball multipurpose courts, additional parking, and our new playground for the children of our community. Also, the net profits from the CCBWA and proceeds from other fundraising events provide funds to allow AVCP to create and support various community activities including scholarships for local high school graduates, summer movies at the A-field, holiday food distribution to Antietam School District families, the annual holiday tree lighting ceremony and special donations to other charitable organizations in our community.

We hope your organization will support this year's highly-anticipated event that we predict will once again sell out. Please choose one of the suggested sponsorship levels and show your commitment to our community and park! The sponsorship levels, detailed here, commemorate historic Carsonia Park's beloved amusement rides. We invite you to learn more about AVCP's mission and our work within the community by visiting www.antietamvalley.org. We truly appreciate your consideration of support and look forward to speaking with you. Thank you.

Sincerely,

JAMES PACE, PRESIDENT OF AVCP
