Information

All Star Reading Club started in 2008 at West Tualatin View Elementary School. Students from all grades are invited to read a book of a different genre each month and fill out the form on the back of this book. Every month, completed forms will be collected and a student's progress will be tracked on a chart.

Students who read books from **five** different genres will be invited to a Spring Party, choose a free book and receive prizes from the local library. Students who read a book from all **eight** genres will have a special time with the storyteller and a gift card to Powell's as well as attending the Spring Party, a free book and receive prizes from the local library.

Reports are due at the end of each month, make ups are allowed until the beginning of the following month. High quality reports will receive a free book.

Reading is a terrific way for students to explore all the genres of literature and, as they grow, enjoy books they never thought they'd be interested in. Here are the genres for each month:

- October – Mystery & Horror
- November – Historical Fiction
- December – Non-fiction
- January – Action & Adventure
- February – Biography
- March – Fantasy & Science Fiction
- April – Poetry
- May -- Folklore
- GENRE Any Month - Classic

West TV library, volunteers and the West TV Parent Teachers Club support this program.

May -- Folklore

Folklore is a story with no known creator. Folklore stories were originally passed down from one generation to another by word of mouth but folklore authors today are retelling these stories. Folklore stories were often created to teach children behavior in an entertaining way.
