

You are Cordially Invited to the LB Open Studio Tour 2019 for October is Arts Month

In celebration of Long Beach's Arts Month as well as the National Arts and Humanities Month, your local artists will be opening up their studios to visitors for the LB Open Studio Tour (LBOST). Come see your local artists in their working environments that are not usually open to the public.

The LBOST is a free, self-guided, at your own pace event. There is no ticket to buy. All you need is the Tour map that can be found around town at local businesses, coffee houses, and merchants, or downloaded from the website.

The Tour website includes the map of studio locations as well as profiles of the participating artists to help you plan your studio visits. The studios are marked with lawn signs bearing the LB Open Studio Tour logo. Some studios will offer live music and light refreshments. Click on the music schedule on the website.

This year, we offer four separate hubs, each with its own weekend. The first hub is Zaferia/Eastside on October 5th & 6th, then the Cal Heights/Bixby Hub on October 12th & 13th, the Wrigley Hub on October 19th & 20th, and the Belmont Heights/Belmont Shore Hub on October 26th & 27th. Get together with friends and visit all the studios to support your local artists!
