Photography Release

Seeing smiling faces enjoying faith-filled experiences is a wonderful thing and church members of all ages love to see pictures of the church's youth. I understand that on occasion Avon Congregational Church uses photos on church bulletin boards and on its website for the purpose of sharing our church's ministries and educational programs. I also understand that the church will never identify a child by name.

- I authorize Avon Cong. to use photos in which my child/ren appear.
- I do not authorize Avon Cong. to use photos with my child/ren.
