ROBINSON & AMITY ROUNDABOUT Construction Project

The Nampa Highway District will close the intersection of Robinson Rd. and Amity Ave. east of Nampa to rebuild the intersection into a roundabout. The closure will start Monday, February 4th and run through the end of May.

All surrounding properties will remain accessible throughout the project, but will only be approachable from a single direction. North-south through traffic will be detoured around to Happy Valley Rd. or McDermott Rd., and east-west through traffic will be detoured around to Victory Rd. or Greenhurst Rd.

This project is being built to reduce the relatively high crash rate at this intersection, as well as relieve the congestion that frequently occurs there. The intersection is currently an all-way-stop.
