ROBINSON & AMITY ROUNDABOUT Temporary Closure

The Nampa Highway District will temporarily close the new Robinson & Amity roundabout on May 28th to install an art piece in the center island. The closure will start about 9:00 am, and is expected to last four hours. The art piece will represent a trolley car of the historic Boise & Interurban Railway, which operated in the Treasure Valley between 1890 and 1928.

During the closure, flaggers will detour north-south through traffic around to Happy Valley Rd. or McDermott Rd., and east-west through traffic around to Victory Rd. or Greenhurst Rd. All surrounding properties will be accessible throughout the project, but will only be approachable from a single direction.
