SUNNYRIDGE RD. FROM LEWIS LN. TO LOCUST LN. To Be Closed for Construction

The Nampa Highway District will close the one mile stretch of Sunnyridge Rd. from Lewis Ln. to Locust Ln. for reconstruction. The closure will start Monday, August 26th, and last through September. The construction work will consist of grinding the existing pavement into gravel, shaping and compacting it, and then paving it with a new asphalt road surface.

All surrounding residences and businesses will be accessible during the closure, but north-south through traffic will be detoured around to Highway 45 or Powerline Rd.
