## Introducing Tang Chim Chea

**Tang Chim Chea** is in her second year of studying accounting. She hopes to graduate and be able to work for a government office as an accountant. With her diligence and great work ethics, there is no doubt that she will be a great asset to whoever hires her.

Tang Chim is from Kampong Thom province. She wasn't a Christian when she first resided in Susanna Wesley House in Kampong Thom to attend high school. But through her residence and attendance at Samrath Methodist Church, she realized that God actually listened to her prayers. Since then, she has put her faith in God and has not failed to walk with God.

Tang Chim's parents were worried about her moving to Phnom Penh for her college by herself. They did not really trust the ministry of Susanna Wesley Dormitory in Phnom Penh, either. However, after 2 years, her parents are grateful for the opportunity for her daughter to be supported through college at a safe place.

Tang Chim enjoys going to school and spending time with her friends at school and the dorm. She attends Prek Toal Methodist Church with her friends and serves as a praise team member from time to time.

Tang Chim is not only a great person but also a great sister and Christian to those around her. Her daily prayer includes her parents who are not Christians. She prays that they will soon find God and be able to live with faith, hope, and love in God. Please join her in her prayers for her parents as well as for her to continue to do well in school and be able to serve God and God's people through her studies.

## Pchum Ben (Cambodian "Thanksgiving Day" celebrated on Sept. 27-30, 2019)

Pchum Ben is a holiday where Cambodians worship their ancestors in order to be blessed by them. Coming from Buddhist background, Cambodians believe that the spirits of the ancestors roam the earth, and if they worship the spirits well, the spirits will bless their descendants. This holiday is a time of spiritual battle as Cambodian Christians in Buddhist families are persecuted for not worshiping their ancestors. Please continue to pray for the Good News of Jesus Christ to reach the hearts of the people of Cambodia!

## Servants of Susanna Wesley Dormitory

**Janice Lee** has started to serve as the coordinator of Susanna Wesley Dormitory from August, 2019. Janice is from the United States and comes with educational and pastoral backgrounds. She has taught at high schools as an English teacher in Hawaii and also served as a youth pastor for more than 15 years. She is currently teaching English and Bible at Logos International School in Phnom Penh. She envisions the dormitory as a place where the students will grow in God as they attain expertise in their college major. She prays that the dormitory ministry offers them not only a safe place but also a place like home where love is experienced every day.

**Reasey Long** is the resident supervisor at the dormitory. She also currently works at the Global Ministries in Cambodia as the Volunteer in Mission (VIM) Coordinator. She is from Kampong Chhnang province and majored in computer at Norton University in Phnom Penh. Reasey is not only smart but also compassionate and empathetic - a true asset to this ministry. She is full of love for the students at the dorm and prays for their success every day. She has daily evening devotions with the students and also ensures the students follow the dorm policies. Reasey has a special heart for the young people in Cambodia, and we are thrilled to have her on our team.

**Hye In Lee** is a Global Mission Fellow (GMF) who joined the team in September, 2019. She will be in Cambodia for the next 2 years to serve the Susanna Wesley Dormitory ministries. Hye In is from Korea and has a special heart for international missions. She has experience working at Korean churches, especially with young people, and hopes to connect with the students at the dorm as she masters Khmer language. Although she's new to the country, she has already adapted to the culture and the weather. The students are excited to learn piano from Hye In and has already started to grow on her. We pray that Hye In's two years in Cambodia will be an awesome experience not only for the dorm students but also for her.
