2016-2017 Arts, Enrichment, and Innovation Grant Awards

Grant #	Title	Grade	Teacher	Grant Shared With	Description	Grant Award*
E-66	Washington State History – A Dramatic Exploration Through the Eyes of Salmon	4th	Myrick, Linda	Somerset, Lake Hills	Educator and Curriculum Designer, Peter Donaldson will guide Somerset's 4th grade classes in a dramatic exploration of Washington State history through the eyes of Salmon.	\$2,000.00
E-67	Jolts & Volts	3rd	Palmer, Kimberly		Science Show (general assembly) with Tesla Coil and Van De Graaff Generator for entire school (730 students)+ (3) 3rd Grade GESP Classroom workshop include deeper engagement regarding open/closed circuits with energy ball, circuit cards, and battery exercises.	\$500.00
E-68	The Dramatic Story of American Independence	5th	Rogers, Duncan		Fifth grade students at Somerset will use drama to research, rehearse, reenact and reflect on events and personalities related to the story of how America gained independence from England.	\$1,000.00
<b>Spiritridge Elementary</b>						
E-02	Our Revolution - Story of a black family's experience during the colonial conflict with Britain	5th	Shelton, Patty	All elementary	Fifth grade students study the tensions and events leading up to the American Revolution to learn about the British and Colonial perspectives. This performance will add another viewpoint, that of a black man who joins the Continental Army.	\$600.00
E-03	Island of Hope – An Immigrant Family's Risky Journey to America	3rd	Shelton, Patty	All elementary	Third grade students will learn about the experiences of immigrants who arrived in Bellevue around the turn of the century through the Bellevue Then and Now local history primary sources.	\$1,700.00
E-04	Klondike: The Last Adventure	4th	Shelton, Patty	All elementary	Fourth grade students learn about Washington State in the past and the present. This performance will illuminate aspects of the gold runs and its impact on individuals and the local economy through the story of one woman's adventures.	\$1,700.00
E-07	Author Visit by Kirby Larson	3 - 5	Lux, Janna	Cherry Crest, Sherwood Forest, Woodridge, Puesta del Sol, Jing Mei, Newport Heights, Eastgate, Ardmore, Spiritridge, Stevenson	As she shares her historical fiction and nonfiction books, award winning author Kirby Larson will inspire passion for writing as well as teach valuable skills for researching and storytelling.	\$10,500.00
E-72	Peter Donaldson's Trade, Treaties and Chief Seattle's Speech Assembly and Workshops	4th	Hollhaus, Sarah		To bring educational storyteller, Peter Donaldson, into our 4th grade classrooms to experience his Trade, Treaties and Chief Seattle's Speech assembly and workshops.	\$480.00
E-73	The Storybook Theatre	K - 1	Howell, Catie and Tanya Avilez		Students will engage in watching a theater performance, while working on their listening skills, their writing skills and comprehension about the performance.	\$675.00
E-74	Peter Donaldson Declaration of Independence	5th	Emma Van Ryn		A multi-day interactive assembly and classroom workshop series focused on the people and events that led up to the signing of the Declaration of Independence on July 4, 1776.	\$500.00
E-75	Art of Discovery Project	K - 5	Vanderkolk, Annie		The Bellevue Arts Museum will deliver 8-10 pieces of fine art for us to set up a mini museum for 2 weeks for students to explore fine art and understand what it means to them.	\$200.00
E-77B	The Museum of Flight	2nd GESP & 3rd	Young, Katie		A hands-on learning experience of motion, matter, and parachutes at the Museum of Flight	\$450.00
<b>Stevenson Elementary</b>						
E-02	Our Revolution - Story of a black family's experience during the colonial conflict with Britain	5th	Shelton, Patty	All elementary	Fifth grade students study the tensions and events leading up to the American Revolution to learn about the British and Colonial perspectives. This performance will add another viewpoint, that of a black man who joins the Continental Army.	\$600.00
E-03	Island of Hope – An Immigrant Family's Risky Journey to America	3rd	Shelton, Patty	All elementary	Third grade students will learn about the experiences of immigrants who arrived in Bellevue around the turn of the century through the Bellevue Then and Now local history primary sources.	\$1,700.00

Bellevue Schools Foundation  
2016-2017 Arts, Enrichment, and Innovation Grant Awards

Grant #	Title	Grade	Teacher	Grant Shared With	Description	Grant Award*
E-04	Klondike: The Last Adventure	4th	Shelton, Patty	All elementary	Fourth grade students learn about Washington State in the past and the present. This performance will illuminate aspects of the gold runs and its impact on individuals and the local economy through the story of one woman's adventures.	\$1,700.00
E-06	Storyteller Jim Cogan	K - 2	Hayfield, Melissa	Cherry Crest, Lake Hills, Sherwood Forest, Stevenson	Students will share a presentation/performance on traditional storytelling with Jim Cogan; he teaches students of all ages about the power of language, imagery, story, voice and culture. A complement to Social Studies and Language Arts Frameworks, the programs link folklore, fables, history, legends, myth and personal memory with animated storytelling skills giving students a creative and exciting 45 minutes of involved, focused educational programming.	\$600.00
E-07	Author Visit by Kirby Larson	3 - 5	Lux, Janna	Cherry Crest, Sherwood Forest, Woodridge, Puesta del Sol, Jing Mei, Newport Heights, Eastgate, Ardmore, Spiritridge, Stevenson	As she shares her historical fiction and nonfiction books, award winning author Kirby Larson will inspire passion for writing as well as teach valuable skills for researching and storytelling.	\$10,500.00
E-08	Peter and the Wolf Wind Quintet Performance	K - 5	Panther, Steven	Cherry Crest, Sherwood Forest, Stevenson	"Peter and the Wolf is a classic fairy-tale written by Prokofief for his children and set to his own unforgettable music. Hear Peter and his friends the Bird, the Cat, the Duck and grumpy Old Grandfather as they outwit the villainous Wolf. The members of the Philharmonic Wind Quintet will also demonstrate their respective instruments (flute, oboe, clarinet, bassoon and French horn), have a Name-That-Tune contest with the students, perform some well-known American Folk Songs by Stephen Foster and/or Richard Rogers "Sound of Music" and answer questions at the end of the performance.	\$750.00
E-28	Rhythm Ambassadors	K-5	Peterson, Sharon	Enatai, Phantom Lake, Sherwood Forest, Stevenson, Woodridge	Students will get an opportunity to witness the complexity and diversity of Afrolatin and Caribbean culture through the art of traditional music and dance. Rhythm Ambassadors will bring multiple artists for an all-school performance at each elementary school. Their percussionists and dancers create a high-energy aural, visual and cultural experience for students. This is a highly interactive assembly with students participating throughout.	\$3,500.00
E-78	Pacific Science Center - Space Odyssey	K - 5	Bird, Anna		All School Assembly, interactive mini-science exhibit with experiments, plus 10 classroom lessons that will generate excitement about electricity, sound, lenses, magnets and simple machines. Students will be shocked at the remarkable ways physics helps to explain the world around them.	\$1,000.00
E-79	Spanish Language Novel Collection for Library	K - 5	Ching, Jennifer		Purchase of books in Spanish for the school library to support our Spanish-speaking population and Stevenson.	\$1,000.00
E-80	Rick Hartman: The Toy That Math Built - Supports Math and Family Involvement and Engagement	K - 5	Ching, Jennifer		The Toy that Math Built is a 45-minute assembly program by toy inventor and educator Rick Hartman. Programs uses large scale props, audience participation and humor to create an entertaining educational and memorable experience.	\$1,525.00
E-81	Art/Poetry Workshop with local Author	4 - 5	Eggink, Aimee		Local author/illustrator Vikram Madam will visit the school and lead workshops for 4th and 5th graders in creative writing and artwork, which students will then continue to work on back in class.	\$300.00
<b>Woodridge Elementary</b>						
E-02	Our Revolution - Story of a black family's experience during the colonial conflict with Britain	5th	Shelton, Patty	All elementary	Fifth grade students study the tensions and events leading up to the American Revolution to learn about the British and Colonial perspectives. This performance will add another viewpoint, that of a black man who joins the Continental Army.	\$600.00
E-03	Island of Hope – An Immigrant Family's Risky Journey to America	3rd	Shelton, Patty	All elementary	Third grade students will learn about the experiences of immigrants who arrived in Bellevue around the turn of the century through the Bellevue Then and Now local history primary sources.	\$1,700.00
E-04	Klondike: The Last Adventure	4th	Shelton, Patty	All elementary	Fourth grade students learn about Washington State in the past and the present. This performance will illuminate aspects of the gold runs and its impact on individuals and the local economy through the story of one woman's adventures.	\$1,700.00

Bellevue Schools Foundation  
2016-2017 Arts, Enrichment, and Innovation Grant Awards

Grant #	Title	Grade	Teacher	Grant Shared With	Description	Grant Award*
E-28	Rhythm Ambassadors	K-5	Peterson, Sharon	Enatai, Phantom Lake, Sherwood Forest, Stevenson, Woodridge	Students will get an opportunity to witness the complexity and diversity of Afrolatin and Caribbean culture through the art of traditional music and dance. Rhythm Ambassadors will bring multiple artists for an all-school performance at each elementary school. Their percussionists and dancers create a high-energy aural, visual and cultural experience for students. This is a highly interactive assembly with students participating throughout.	\$3,500.00
E-84	Goodnight Moon and Runaway Bunny Play	K	Cannon-Kyle, Janice		Students will attend the theatre and watch a live version of books they have previously read in class and library. The project brings to life on stage what they have been studying in class and shows story telling in a different format.	\$1,000.00
E-85	Bringing WA State history to Life by Exploring of the WA State History Museum	4th	Greisen, Debbie		We will take all Woodridge 4th grade students to the Washington State History Museum where they will have a chance to interact with, study, and take research notes on topics related to Washington State.	\$450.00
E-86	Listen While They Read: Connecting Struggling Readers with Great Books	4 - 5	Peterson, Linda		The purchase of excellent, high interest audiobooks would enable 4th-5th grade struggling, reluctant and ELL students to participate in two Pacific NW book award programs and also at the same time help the students' reading and thus encourage reading.	\$565.00
E-87	Dual Language Books	1 - 5	Ghardwaj, Chitra		Building an equitable and culturally responsive library by providing students access to books in their native language by building a school library in different languages. The purpose of this initiative is to propose productive ways the teachers and school can approach linguistic diversity so that we can teach language minority students at high levels of achievement.	\$250.00
<b>Middle &amp; High Schools</b>						
<b>Bellevue High School</b>						
S-06	Vocal Coaches/Private Voice Lessons for Concert Choir, Chorale, Treble Choir, and Bellairs	9th-12th	Jacobsen, Andrew		This project will enable vocal coaches to come in twice a month to coach the choirs at BHS.	\$400.00
S-07	FIRST Robotics 2016-2017 Competition	9th-12th	Le, Jessica		FIRST Robotics holds a competition which lasts a period of 6 weeks for building with up to another 12 weeks for the actual competition. Our project is to actively prepare and build a successful robot to compete in the 2016-17 FIRST Robotics Competition.	\$500.00
S-08	Field Trip for French 4 to Seattle Art Museum "Yves Saint Laurent: The perfection of Style" Exhibit	9th - 12th	Nelson, Leigh		Field trip for French levels 4, to Seattle Art Museum exhibit "Yves Saint Laurent: The perfection of Style" Exhibit.	\$500.00
S-09	Terra Cotta Warriors	9th	Schmidt, Carol & Alexander, Lori		All students enrolled in "foundations of World History" will have the rare opportunity to see the terra cotta Warriors of China and other artifacts from the first Imperial Dynasty, the Qin. They will also be able to view a film "Mysteriest of China" at the Pacific Science Center this Spring of 2017.	\$2,500.00
S-10	Raku for High School Ceramics	9th-12th	Yale, Hannah		I am applying for my Ceramic 1 and Ceramic 2 students to have the opportunity to participate in a traditional Japanese ceramic firing technique called "raku"; the service is provided by Seattle Pottery Supply.	\$325.00
S-37	Odle Rocketry Seeks TARC Registration, TARC Materials, and Club Efficiency	6th - 8th	Williams, Brendan	Odle, Sammamish, Bellevue, Interlake	A TARC team needs a minimum of \$1000 to design, build, fly and revise one of two TARC rockets and this grant request seeks to offset this cost while also replacing and acquiring equipment to increase our club's efficiency.	\$1,100.00
<b>Big Picture School</b>						
S-12	Fieldtrip to Tree House Point located in Issaquah to launch a 6th grade math project.	6th	Park, Charmee		Fieldtrip to Tree House Point located in Issaquah to launch a 6th grade math project. Students view & take measurements of actual tree houses before they design their own scaled down model of a tree house.	\$1,000.00

Bellevue Schools Foundation  
2016-2017 Arts, Enrichment, and Innovation Grant Awards

Grant #	Title	Grade	Teacher	Grant Shared With	Description	Grant Award*
<b>Chinook Middle School</b>						
S-01	Commitment to Global Citizenship & Service	6th - 7th	Shelton, Patty	Odle, Chinook, Tye, Highland, International, Tillicum	Students will learn what it means to be an informed and responsible citizen and commit their time and energy to serve the global community.	\$1,137.00
S-02	A Memoir of the Cultural Revolution by Ji-Li Jiang	7th	Shelton, Patty	Highland, Odle, Tillicum, Tye, Chinook	Red Scarf Girl author Ji-Li Jiang, will share her childhood experiences during the turmoil of the Cultural Revolution and host a Q and A session at each middle school.	\$2,000.00
S-13	Chinook Women's, Entry, & Boys' Choirs Community Service Tours	6th - 8th	Ambruster, Angela		Chinook choir students will prepare and present to audiences at Sunrise Senior Living, Crossroads Malls & The Garden Club Senior Living Community.	\$250.00
S-16	Robotics Club at Chinook Middle School	6th -8th	Matthews, Larry		This grant will be used to fund a competitive Robotics club at Chinook Middle School.	\$750.00
<b>Highland Middle School</b>						
S-01	Commitment to Global Citizenship & Service	6th - 7th	Shelton, Patty	Odle, Chinook, Tye, Highland, International, Tillicum	Students will learn what it means to be an informed and responsible citizen and commit their time and energy to serve the global community.	\$1,137.00
S-02	A Memoir of the Cultural Revolution by Ji-Li Jiang	7th	Shelton, Patty	Highland, Odle, Tillicum, Tye, Chinook	Red Scarf Girl author Ji-Li Jiang, will share her childhood experiences during the turmoil of the Cultural Revolution and host a Q and A session at each middle school.	\$2,000.00
S-17	Advanced Band Pacific Lutheran University Workshop & Visit	8th	Davis, Mary		A college visit to PLU will allow middle to low income students the opportunity to not only visit a college campus, but also the opportunity to work with professors and students in the Music program.	\$1,300.00
S-19B	The BOOM Experience	7th-12th	Roberson, Krischana	Odle, Interlake, Sammamish	Books & workbooks are needed for a focused session targeting our most challenged youth across the Bellevue School District who are participating in The BOOM Experience.	\$1,000.00
S-45	Near-space Satellite Atmospheric Research Project	6th-8th	Burke, James	Tye, Tillicum, Highland	Near-space research is an authentic activity that uses all the skills that comprise the STEM acronym and is used by NASA and NOAA to further our understanding of our planet and human society.	\$2,000.00
<b>Interlake High School</b>						
S-22	Interlake Saints Robotics Club	9th-12th	Collombs, s		Our mission is to help students experience the practical implementation of science and technology through the process of constructing a robot, in hopes to interest them in the greater technological world. While we are known for our robotics assembly, we honor the other aspects tied into the technological world, such as web development and applicable business skills.	\$1,000.00
S-23	Enhancing Student Learning Experiences and Orchestra Performances through Professional Coaching	9th-12th	Katsman, Shira		The aim of this project is to enhance the music education of the Interlake High School Orchestra students by providing them them with clinics facilitated by professional musicians.	\$750.00
S-24	New Graphic Novels for Interlake Library	9th-12th	Nielsen, Kathleen		I would like to purchase a selection of new graphic novels for the Interlake library, including graphic adaptations of classic novels and plays, as well as popular titles that appeal to teens.	\$350.00
S-25	Maker Initiative	6th - 12th	Peterson, Dan	Bellevue, Newport, Sammamish, Odle, Highland	This initiative encourages students grades 6 - 12 to approach a hands-on learning with electrical engineering, 3D printing and coding. The money from the grant will go towards purchasing material required for engineering.	\$1,500.00
S-26	PACIFIC Adaptive Living Skills Yoga Class	9th-12th	Pak, Autumn		Yoga mats will be used to practice yoga or other exercises during adaptive living skills or relevant classes.	\$600.00
S-37	Odle Rocketry Seeks TARC Registration, TARC Materials, and Club Efficiency	6th - 8th	Williams, Brendan	Odle, Sammamish, Bellevue, Interlake	A TARC team needs a minimum of \$1000 to design, build, fly and revise one of two TARC rockets and this grant request seeks to offset this cost while also replacing and acquiring equipment to increase our club's efficiency.	\$1,100.00

Bellevue Schools Foundation  
2016-2017 Arts, Enrichment, and Innovation Grant Awards

Grant #	Title	Grade	Teacher	Grant Shared With	Description	Grant Award*
<b>International School</b>						
S-01	Commitment to Global Citizenship & Service	6th - 7th	Shelton, Patty	Odle, Chinook, Tye, Highland, International, Tillicum	Students will learn what it means to be an informed and responsible citizen and commit their time and energy to serve the global community.	\$1,137.00
S-27	Competition Fee Procurement for International School Titan Robotics Club (TRC)	9th - 12th	Holt, Lee		Each year the Titan Robotics Club participates in an extra-curricular robotics competition that augments the classroom learning in STEM and business management.	\$1,000.00
S-29	Minecraft for the Classroom	6th-7th	McClure, Cheryl		Minecraft embedded in curriculum can offer students the opportunity to create and work cooperatively and collaboratively within a community, learn to problem solve elements of a project, produce an end product or structure, and learn the basics of coding within Minecraft, thus this would serve as an introduction to Minecraft within science.	\$500.00
<b>Newport High School</b>						
S-30	Commissioned music based on historical figures in the Pacific Northwest	6th-12th	Gero, Christine	NHS, BHS, SHS, IS, Odle, Tye, Chinook	I am working on a project to have 3 pieces of music based on historical figures of the Pacific Northwest commissioned for 3 different orchestras of varying levels of playing ability.	\$1,000.00
S-31	Field Trips for Nanotechnology Class	12th	Baker, Melissa		Take nanotechnology students on three field trips each semester: To UW's Center for Nanotechnology & Nano Fabrication Facility (both Fall & Spring Semester Classes), Fred Hutchinson Cancer Research Center (Fall Semester), The UW Medical Research Center (Spring Semester), Newport Heights Elementary (Fall), Somerset Elementary (Spring).	\$750.00
S-32	SpectroVis Plus	9th-12th	Baker, Melissa		As a teacher in the Bellevue School District for many years, I've been impressed with how advanced we are with technology, but we are behind when it comes to our spectrophotometers. We still use instruments that stand-alone where many high schools have spectrophotometers that connect to LabQuest & laptops. This would allow a further analysis of our results as the students could collect and save data on their computers. They are incredibly powerful.	\$1,000.00
S-33	Scholarships Transportation Funding for Newport Robotics Group	9th-12th	Doran, Robert		We are requesting funds to supplement our scholarship program so all of our students can attend FIRST Robotics.	\$1,000.00
S-34	Newport High School Band Clinicians	9th-12th	Edwards, Cory; Mahaffey, Todd		Students who participate in performance classes at Newport High School (Wind Ensemble, Symphonic Band, Concert Band, Jazz Ensemble, and Percussion Ensemble) will receive small group/individual instruction from professional musicians to enhance musicianship.	\$750.00
S-35	Marine Science Field Experience at Naturebridge, Olympic National Park	10th - 12th	Gray, Megan		Outdoor Field Laboratory experience for marine science students at Naturebridge campus in Olympic National Park	\$500.00
<b>Odle Middle School</b>						
S-01	Commitment to Global Citizenship & Service	6th - 7th	Shelton, Patty	Odle, Chinook, Tye, Highland, International, Tillicum	Students will learn what it means to be an informed and responsible citizen and commit their time and energy to serve the global community.	\$1,137.00
S-02	A Memoir of the Cultural Revolution by Ji-Li Jang	7th	Shelton, Patty	Highland, Odle, Tillicum, Tye, Chinook	Red Scarf Girl author Ji-Li Jang, will share her childhood experiences during the turmoil of the Cultural Revolution and host a Q and A session at each middle school.	\$2,000.00
S-36	Odle Robotics Club	6th - 8th	Westerside, Steve		Robotics club targeting underserved students who would normally not have this opportunity, with members who must be new or beginners to robotics.	\$1,000.00
S-37	Odle Rocketry Seeks TARC Registration, TARC Materials, and Club Efficiency	6th - 8th	Williams, Brendan	Odle, Sammamish, Bellevue, Interlake	A TARC team needs a minimum of \$1000 to design, build, fly and revise one of two TARC rockets and this grant request seeks to offset this cost while also replacing and acquiring equipment to increase our club's efficiency.	\$1,100.00
S-38	Payload Electronics Team	6th-8th	Petoskey, Jim		Students will build Arduino-based sensor systems to collect, collate, and analyze telemetry data by launching their systems in rockets. Student research will be submitted for publication in youth journals.	\$500.00

Bellevue Schools Foundation  
2016-2017 Arts, Enrichment, and Innovation Grant Awards

Grant #	Title	Grade	Teacher	Grant Shared With	Description	Grant Award*
<b>Sammamish High School</b>						
S-37	Odle Rocketry Seeks TARC Registration, TARC Materials, and Club Efficiency	6th - 8th	Williams, Brendan	Odle, Sammamish, Bellevue, Interlake	A TARC team needs a minimum of \$1000 to design, build, fly and revise one of two TARC rockets and this grant request seeks to offset this cost while also replacing and acquiring equipment to increase our club's efficiency.	\$1,100.00
S-39	Cultura Express	9th-12th	Duimovic, Angelie		Through a quick and local access to authentic Spanish language novels, both Spanish speakers and Spanish learners can access to the vast array of cultures of the Spanish speaking world, allowing them to organize a Hispanic cultural symposium.	\$1,000.00
S-40	Sammamish High School FIRST Robotics Team #2412	9th-12th	Herzog, Kim		The team designs and builds a robot to participate in the Washington FIRST robotics district competitions.	\$1,000.00
S-41	Professional Musicians and Coaches for Sammamish High School Orchestra	9th-12th	Kam, Andrew		The purpose of this project is to provide SHS orchestra students supplemental instruction from professional musicians from our community through coachings on instruments, and to complement the "ensemble" aspect taught in class by providing "instrument-specific" tips and skills.	\$1,000.00
<b>Tillicum Middle School</b>						
S-01	Commitment to Global Citizenship & Service	6th - 7th	Shelton, Patty	Odle, Chinook, Tyee, Highland, International, Tillicum	Students will learn what it means to be an informed and responsible citizen and commit their time and energy to serve the global community.	\$1,137.00
S-02	A Memoir of the Cultural Revolution by Ji-Li Jiang	7th	Shelton, Patty	Highland, Odle, Tillicum, Tyee, Chinook	Red Scarf Girl author Ji-Li Jiang, will share her childhood experiences during the turmoil of the Cultural Revolution and host a Q and A session at each middle school.	\$2,000.00
S-45	Near-space Satellite Atmospheric Research Project	6th-8th	Burke, James	Tyee, Tillicum, Highland	Near-space research is an authentic activity that uses all the skills that comprise the STEM acronym and is used by NASA and NOAA to further our understanding of our planet and human society.	\$2,000.00
<b>Tyee Middle School</b>						
S-01	Commitment to Global Citizenship & Service	6th - 7th	Shelton, Patty	Odle, Chinook, Tyee, Highland, International, Tillicum	Students will learn what it means to be an informed and responsible citizen and commit their time and energy to serve the global community.	\$1,137.00
S-02	A Memoir of the Cultural Revolution by Ji-Li Jiang	7th	Shelton, Patty	Highland, Odle, Tillicum, Tyee, Chinook	Red Scarf Girl author Ji-Li Jiang, will share her childhood experiences during the turmoil of the Cultural Revolution and host a Q and A session at each middle school.	\$2,000.00
S-43	Seattle Shakespeare Company Residency at Tyee Middle School	6th-8th	Schropp, Danielle		Professional actors will engage students in a hands-on workshop focusing on various elements of Shakespearean performance (stage presence/staging: how the framing and staging of a scene helps tell the story, and scene studies: deep work into scene interpretation, acting, and rewriting Shakespeare's works to create student version of the play).	\$1,000.00
S-44	Raku Firing Experience with Seattle Pottery Supply	6th - 8th	Strimel, Jennifer		Hiring a ceramics artist from Seattle Pottery Supply to conduct a Raku firing workshop for approximately 100 students per workshop er semester.	\$650.00
S-45	Near-space Satellite Atmospheric Research Project	6th-8th	Burke, James	Tyee, Tillicum, Highland	Near-space research is an authentic activity that uses all the skills that comprise the STEM acronym and is used by NASA and NOAA to further our understanding of our planet and human society.	\$2,000.00
* Shared grant awards are split between partner schools as outlined in their grant application.
