Sherwood Forest								

**Bellevue Schools Foundation
2014-2015 Enrichment and Innovation Grants**

Grant #	School	Title	Grade	# Kids	Teacher	Shared With	Description	Amt Awarded
E-62	Sherwood Forest, Shared Grant	S is for SALMON from Papercut to Publication with local artist Hannah Viano	4th	205	Nancy Mowat	Somerset	After 4th Grade students are exposed to the creative process Hannah Viano used in writing and illustrating S is for Salmon in which she explored the flora and fauna of the Pacific Northwest, students will apply the research methods of her work to create their own alphabet of the Oregon Trail using the research process with the Teacher-Librarian and printmaking techniques with the Art Teacher.	\$1,095.00
E-63	Sherwood Forest	Graphic Novels	2-5th	80	Linda Anderson		We will have high interest graphic novels to engage reluctant readers who are reading below grade level so that they will participate in independent reading in the classroom and at home.	\$875.00
E-64	Sherwood Forest	"Science For Giants" all-school assembly and evening "Build a toy Workshop" with Rick Hartman	K-5th	438	Bryson Galanti		Locally and nationally recognized Rick Hartman presents principles of physics uses monster- sized toys to bring K-5 students face to face with big ideas that enhance their learning of BSD and Washington state's physical science standards. The all school assembly is followed by an evening to engage families in constructive creation of various take-home toys	\$1,000.00
E-65	Sherwood Forest	Lego Space Exploration for after school STEM Program	4th, 5th	48	Jessica Brown		The requested funds will be used to purchase 4 Lego EV3 Space Exploration sets for 4" and 5" grade participants in our PTA's after school STEM robotics program	\$500.00
E-1	Sherwood Forest, Shared Grant	Island of Hope - An Immigrant Family's Risky Journey to America	3rd	1319	Patty Shelton	All Elementary Schools	Through a unique theatrical performance students will learn why people immigrated to America and the hardships they endured leaving their homeland, passing through Ellis Island and establishing a new life in America.	\$1,700.00
E-2	Sherwood Forest, Shared Grant	La Mariposa, a live presentation by the Book-It Theatre	K-5th	460	Jan DuBois, Stacey Brody, Nancy Mowat	Puest del Sol, Ardmore	Adaptation of Francisco Jimenez's autobiography about his challenges and new beginnings in the United States as an immigrant from Mexico with the purpose of the performance being to enhance and to appreciate the Spanish speaking abilities of the studen	\$1,800.00
E-15	Sherwood Forest, Shared Grant	American Storyteller	3rd	170	Josie Getlys	Cherry Crest	Cherry Crest and Sherwood Forest 3rd grade students will share a presentation/performance on traditional storytelling with Roger Hernandez, a member of the S'Kallam tribe, highlighting a significant component of Northwest Native American Culture through the tradition of storytelling.	\$180.00
Somerset								
E-66	Somerset	The Dramatic Story of American Independence	5th	122	Shanna McLean		Fifth grade classrooms will use drama to research, rehearse, reenact and reflect on events and personalities related to the story of how America gained independence from England.	\$1,000.00
E-69	Somerset	Students will be taken on an in-class bug safari by Seattle bug expert, Brian Rolf	2nd	89	Shana Bowen		2nd graders get their hands on bugs under the guidance of noted insect guide and instructor, Brian Rolf. This experience would be a valuable extension that directly relates to our district science unit about insects.	\$450.00
E-70	Somerset	Classes will develop building, DIY, and technology skills via STEM appropriate building materials that will endure for future classes.	1st	112+	Melinda Pederson		Kids will unleash their creativity and strengthen STEM skills. They will make creations in response to class challenges and during choice time when all students will have access to quality materials that promote innovation and higher level thinking.	\$350.00
E-62	Somerset, Shared Grant	S is for SALMON from Papercut to Publication with local artist Hannah Viano	4th	205	Nancy Mowat	Sherwood Forest	After 4th Grade students are exposed to the creative process Hannah Viano used in writing and illustrating S is for Salmon in which she explored the flora and fauna of the Pacific Northwest, students will apply the research methods of her work to create their own alphabet of the Oregon Trail using the research process with the Teacher-Librarian and printmaking techniques with the Art Teacher.	\$1,095.00
E-1	Somerset, Shared Grant	Island of Hope - An Immigrant Family's Risky Journey to America	3rd regular program & 2nd GESP students	1319	Patty Shelton	All Elementary Schools	Through a unique theatrical performance students will learn why people immigrated to America and the hardships they endured leaving their homeland, passing through Ellis Island and establishing a new life in America.	\$1,700.00
Spiritridge								
E-71	Spiritridge	School Songwriting Project	2nd, 3rd, 4th	360	Elise Harris		Students will work with songwriter Julie Kryk to compose and record a new school song.	\$500.00
E-72	Spiritridge	Ohop Pioneer Farm Museum- A hands-on Pioneer life experience	All 4th graders, GESP and Gen Ed	126	Lyanne Kurtz		On an extended day field trip, the 4th grade class will learn first-hand about everyday life in Washington from the perspective of the Coast Salish people, and the early pioneers.	\$1,000.00
E-73	Spiritridge	Spiritridge Student Garden - Guest Speaker Enrichment	K-3rd	370	Keyle Kneeland		the Spiritridge Student Garden is a hands-on program that focuses on teaching students about gardening, nutrition and environmental stewardship.	\$500.00
E-74	Spiritridge	Peter Donaldson's 1776 Classroom Workshop and Assembly	5th grade GESP and Gen Ed	119	Brooke Cooley		To bring in educational storyteller, Peter Donaldson into the 5th grade classrooms to experience his 1776 Workshops and Assembly.	\$500.00
E-76	Spiritridge	Woodland Park Zoo's Forest Explorers	2nd	75	Janie Okawa		This program is a half hour interactive auditorium program about the different kinds of rain forests, and the importance of soil in the ecosystems.	\$630.00
E-78	Spiritridge	Pied Piper Theater Performance of 'Frindle'	2nd grade GESP	41	Carrie Drake, Katie Young		The second grade gifted program would like to attend this performance to enrich our Frindle novel study as laid out in the William & Mary GESP curriculum.	\$525.00
E-1	Spiritridge, Shared Grant	Island of Hope - An Immigrant Family's Risky Journey to America	3rd regular program & 2nd GESP students	1319	Patty Shelton	All Elementary Schools	Through a unique theatrical performance students will learn why people immigrated to America and the hardships they endured leaving their homeland, passing through Ellis Island and establishing a new life in America.	\$1,700.00
Stevenson								
E-80	Stevenson	Rick Hartman: The Gears of Invention, bringing to life the thinking skills modern-day innovators use, leading students to the conclusion that we are all inventors at heart.	K-5th	Approx 468	Charleen Lee		The Gears of Invention is a 45-minute assembly program presented by professional toy inventor and nationally recognized educator, Rick Hartman. The program uses large scale props, audience participation and humor to create an entertaining, educational, and thoroughly memorable experience.	\$1,000.00

**Bellevue Schools Foundation
2014-2015 Enrichment and Innovation Grants**

Grant #	School	Title	Grade	# Kids	Teacher	Shared With	Description	Amt Awarded
E-81	Stevenson	Differentiated Mathematical Practice	3rd	75	Ashley Pogreba		This grant will provide third grade students opportunities to work with peers to practice and explore the concepts of mathematics in safe, structured activities increasing their ability to reason and express their thinking using academic vocabulary.	\$750.00
E-82	Stevenson	Non-Fiction for All	3rd	75	Alli Welter		This grant will provide third grade students access to engaging and current non-fiction text at "just right" reading levels to enhance their understanding of nonfiction text components and deepen the understanding of this genre.	\$250.00
E-83	Stevenson	Pacific Northwest Ballet	4th	65	Vanessa Gable		4th grade students attend the Pacific Northwest Ballet performance of Snow White.	\$235.00
E-84	Stevenson	Pacific Science Center - Physics on Wheels	K-5	470	Elizabeth Denning		All school assembly, interactive mini-science exhibit with experiments and activities, PLUS 10 classroom lessons that will generate excitement about electricity, sound, lenses, magnets and simple machines! Students will be shocked at the remarkable ways physics helps to explain the world around them.	\$1,000.00
E-85	Stevenson	Non-Fiction Text for classroom libraries	4th	56	Vanessa Gable		This project will provide opportunities to read, research, and write about science topics as well as increase academic vocabulary and build background knowledge about these concepts.	\$250.00
E-86	Stevenson	Spanish Books to Support Native Spanish Speakers & their Parents (not enrolled in the Dual Language Program)	2nd-5th	70	Chitra Bhardwaj Liz Wattula		We envision an ELL facilitators' resource library available in students' first language, beginning with Spanish, that connects with the demands of the Common Core Standards in the content areas in grades 2-5 and that supports student learning and provides a resources for families to extend learning in the home.	\$250.00
E-86 (A)	Stevenson	Discovery Geology	3rd	70	Catherine Elder		Students will work with Geologist Bob Jackson to expand their understanding of the FOSS Natural Science Units on Geology and Earth Science.	\$360.00
E-86 (B)	Stevenson	Pied Piper Theater - "Click, Clack, Moo" Play	2nd	130	Amanda Dews		2nd grade students attend the village Theatre to see the performance "Click, Clack, Moo."	\$240.00
E-1	Stevenson, Shared Grant	Island of Hope - An Immigrant Family's Risky Journey to America	3rd	1319	Patty Shelton	All Elementary Schools	Through a unique theatrical performance students will learn why people immigrated to America and the hardships they endured leaving their homeland, passing through Ellis Island and establishing a new life in America.	\$1,700.00
