

CLASS PROGRAMMING

6/1/2019

- ~ Register online at www.oxfordathleticclub.com or at the Fitness Desk by calling ext. 4137. Class registration begins at 6:00AM 3 days prior to the class date.
- ~ Class programming is included in Governors level memberships, except paid programming (\$).
- ~ Health Plus Members & Guest Fitness Privileges Include: Aqua Aerobics, BodyCombat, BodyPump, BodyStep, Oxford Vital and Zumba

Oxford Athletic Club (Studio Policies/FAQ)

- All fitness levels welcome in all classes, unless designated.
- All studio classes require pre-registration by either calling the fitness desk (ext. 4137) and or registering through our website (OxfordAthleticClub.com).
- Cell phone use during classes is NOT permitted. This is a time to unplug!
- Please keep studio floors clear from gym bags, coats, etc. We have added cubbies & coat racks in the studio corridor for you to conveniently store gym bags and/or coats.
- Only water will be allowed in the studios. NO food!
- Please keep conversations to a minimum.
- No reserving bikes/equipment/space for members that are not present.
- No late entries to class.

Age Requirement:

The minimum age for a person to take a fitness class in any of the studios is 14 years old. Minors between 12-13 years old are only permitted to workout at the same time as a parent or legal guardian. If the parent is not taking the workout side-by-side with the minor, the minor is not permitted to work out in the studio.

Children In-Studio:

Oxford Athletic Club does not permit children under 12 in the studios at any time unless programming permits it.

Dress Code:

Oxford Athletic Club requires clients to come to classes fully prepared for strenuous activity: enclosed running shoes, athletic shorts/pants, athletic t-shirt, towel. We reserve the right to refuse members entrance into the studios if they are not properly dressed.

Class Reservations:

Members will be able to reserve a spot online for each class 3 days in advance starting at 6am. Classes can be booked through our website or by calling the Fitness Desk at ext. 4137.

Member Class Cancellation Policy:

- Class reservations must be canceled 4 hours in advance prior to the start of class.
- Failure to cancel your class reservation at least 4 hours in advance will result in a \$10 fee.

Late Arrival (Client Late to Workout):

- If you are not present at class start time your spot will become available to waiting members.
- Failure to arrive on time will result in a \$10 fee.

Waiting List:

If a confirmed member cancels from the full capacity class, a fitness staff employee will contact the first person on the waitlist to notify of the available space. If the waitlist #1 person cannot be contacted or cannot commit to holding the spot the next person on the list will be contacted. Members who drop in the studio when a class is booked to capacity will be allowed to attend class on a first come first in basis if there is room.

Group Training at Oxford

Basic Weight Lifting - This 60-min class is designed to teach you the basics in proper core engagement to help you succeed in any muscular training environment such as BodyPump®, Kettlebell, Pilates, Tabata or just on your own exercise session. Basic weight lifting incorporates various muscular training modalities, such as bands, body weight exercises, Bosus, free weights, kettlebells, medicine balls, weight training machines. *Registration recommended. Fee based (\$21).*

Burn - A program designed for intermediate to highly conditioned individuals. Varying interval training using periods of work and recovery. Class will include speed, agility and endurance conditioning. **Minimal equipment. Outside turf weather permitting.** *Registration recommended.*

Foundations of Reaxing - Train your senses, improve your reactivity, boost your performance as you learn the basics of our revolutionary equipment. *Registration recommended.*

HIIT TRX - A high intensity interval training session utilizing suspension training, designed to improve strength and build lean muscle. Incorporates exercises that increase cardiovascular fitness, speed, and maximizes calorie burn. *Registration recommended*

Oxford Fusion - Is a total body aerobic and anaerobic training session designed for **intermediate to highly conditioned individuals**. Participants will train using various training equipment, such as Bosus, dumbbells, kettlebells and TRX straps. *Registration recommended.*

Oxford Synrgy - A program designed for **intermediate to highly conditioned individuals**. This is a small group circuit training class that is anything but boring. Each workout will be unique because the options are limitless. You will focus on cardio, strength, endurance, and agility all in one workout. *Registration Recommended.*

PowerFit - A full body conditioning program to boost your metabolism, increase energy and increase lean muscle. Classes will include full body and compound movements, such as lunges, pull-ups and squats. *Registration recommended. Fee based (\$21).*

Reax Raft Hiit - Aqua training combines all fitness components with water. Each training program combines toning exercises with coordination and joint mobility activities, in a very efficient and fun way. *Registration recommended.*

Tabata - Is a high-intensity workout protocol that has fitness and weight-loss benefits. You push yourself as hard as you can for 20 seconds and rest for 10 seconds, you typically complete eight sets. Short bursts of high intensity exercise have been proven to build lean muscle, while improving muscular endurance. *Registration recommended. Fee based (\$21).*

TRX - Intense, innovative, functional, suspension training. Suspension training leverages gravity and the user's body weight to perform hundreds of upper body and lower body exercises. *Registration recommended.*

Tone at Oxford

Beginner Pilates Reformer - Learn how a reformer class is structured and how it flows. This beginners' class was developed for new clients transitioning into group reformer classes from one on one training. *Registration recommended.*

Foundations of Chair - A program that provides the participant with a working understanding of the basic Pilates movement principle. *Registration recommended.*

Jump Board Reformer - A Pilates Equipment class designed to torch calories, strengthen your core and end with stretching (Pilates Equipment experience required). *Registration recommended. Level 3*

Pilates Chair (45) - Using a Pilate's piece of equipment to perform exercises using progressive resistance of springs and can provide a complete conditioning and flexibility workout. *Registration recommended. Power chair is a more dynamic class in a shortened period of time.*

Pilates Equipment - The Reformer, Chair and Tower are all utilized during class. Exercises are performed using the progressive resistance of springs and can give a complete conditioning and flexibility workout for all fitness levels, with a focus on balance and symmetry. *Previous Pilates Equipment experience is required. Registration recommended.*

Beginner - A beginner Pilates Equipment class for those just starting out and who have completed 4 one on one sessions and not quite ready for the Level 1&2 classes. Continue to work on the basic exercises and increase your ability to flow from one exercise to the next.

Level 1 & 2 Beginner to Intermediate level. Understanding the proper set up and technique for Pilates Reformer Exercises. Classes are set up to demonstrate beginner to intermediate exercises and a slower to intermediate pace.

Level 3 - Requires more experience on the Pilates Equipment since the exercises are more advanced and move quicker and demonstrate a faster pace than level 1 and 2

YUR Back - A program that combines therapeutic exercise, Pilates and muscle techniques to create a safe and effective exercise session for those recovering from low back pain. *Registration recommended.*

Zen at Oxford

InfraRed Hot Yoga - A Mixed Level Yoga class performed in a heated environment using Infrared heating. It is known to be more therapeutic and healthier than traditional hot yoga. It helps to detox and to relax the muscles and joints. *Registration recommended.*

Mixed Level Yoga - A Focus on the union of breath and movement, awareness and alignment, strength and *flexibility*. Explore basic poses along with some challenges, back bending, hip openers and twists. Perfect for all levels. *Registration recommended.*

Pilates Mat/Power Mat - A transformational method of body conditioning that yields profound results for people of all ages and abilities. All levels of experience are welcome in Pilates mat class. Power Pilates Mat is a shortened, intensified version of our traditional program. *Registration recommended.*

PIYo - A unique program designed to build strength and flexibility. Challenging and fun choreography developed to make participants sweat. *Registration recommended.*

Power Hot Yoga - A challenging and powerful 60 min. class set to an energizing playlist. An all levels class that will fire up your core and help to build strength. Connecting your movement with breath will tone your body and mind. *Registration recommended.*

Reax Raft Yoga - The tradition of a thousand-year old discipline meets a brand-new tool. All the deepest muscles are activated, amplifying the benefits of the typical yoga positions. *Registration recommended.*

Restorative Yoga - Restorative Yoga is the practice of doing fully supported poses using bolsters, blankets, and blocks. Poses are held for 5 - 10 minutes. The body is in a state of complete rest which allows for very deep relaxation, thus promoting healing of both body and mind. *Registration recommended.*

Tai Chi - Learn movement patterns that will help to increase your strength, flexibility, balance, cardio-respiratory conditioning, brain health, reduced stress, and an improved sense of well-being. *Registration recommended.*

Vinyasa Flow - Break a sweat in this dynamic yoga flow class. Programming incorporates pranayama (yogic breathing exercises) and ends with deep relaxation. *Registration recommended.*

Warm Yoga with Meditation - Traditional yoga postures done in a warmer environment for added muscular release and flexibility with an added 10-15 minutes of meditation. *Registration recommended.*

Yin Yoga - A slow-paced style of yoga with postures, or asanas, that are held for longer periods of time. *Registration recommended.*

Yin with Centering - A yin style class with centering, followed by gentle movements followed by a 10-minute savasana. *Registration recommended*

Yoga I - A Level 1 yoga class, where students gain strength, balance, flexibility and will learn correct alignment in poses. *Registration recommended.*

Yoga Gold - Simplified and specific yoga movements for beginners, the active older adult, and those recovering from injury. *Registration recommended.*

Youth Yoga - A class designed especially for *children ages 8 - 13*. Yoga for children has been shown to increase focus, and self-esteem, in all aspects of their lives; as well as increase their physical strength and flexibility. *Registration recommended.*
