

# MANGOMANIA

## It's All About The Mango

There are over 50 different varieties of Mango growing on greater Pine Island from May until September. In celebration of this unique asset, the Island comes together once a year to celebrate the Mango! MangoMania is a summer festival, presented by the Pine Island Chamber of Commerce, featuring the Island's Mangoes and other tropical fruits. It is a festive, informal, and incredibly fun family event. Each year the festival offers live music, contests, games and activities for all ages, great food and drink, Mango specialties, arts and crafts, and more.

The first MangoMania was held on the grounds of Our Lady of The Miraculous Medal Church in Bokeelia to highlight the islands agriculture and businesses. Over the 22 years since, the event has been held in empty fields by Winn Dixie, SunTrust Bank and the KOA in St James City. The event was, and still is, such a success that it has attracted visitors from all over the state. Over time the attendance became so large that there was no facility big enough on Pine Island that could accommodate the event. The Chamber Board of Directors, in 2002, made the decision to move it to the German American Social Club, a larger facility that would accommodate all the vendors and guests for the event. In 2016 there were over 10,000 guests at our event and it continues to grow each

year. Come and join us for MangoMania 2017!

-- Jennifer Jennings,  
Chamber Administrator
