Week of Evangelism and Community Outreach

EVENTS

Week of Evangelism and Community Outreach

As a church, our call is to our community! We will take a week where all the ministries will personally have community outreach events and evangelism.

Community Bible Program

Our Community Bible program is coming back June 26th! This is open to children from our church and from the neighborhood. There will be food and activities for the kids.

Women's Night of Empowerment

The Women's Ministry will be having a special service on June 28th. We will have Pastora Deborah from Puerto Rico with us, sharing a special word that will empower the women.
