Can my company support HOSPAC?

HOSPAC and Corporate Membership

Of course! HOSPAC's day-to-day operations depend on the support of the Texas Hospital Association and generous corporate members, whose contributions are directed to the THA Political Education Fund. Since corporate contributions cannot be used to support candidates, this fund helps underwrite HOSPAC membership events, get-out-the-vote activities, membership mailings and other administrative activities. Corporate members receive prominent recognition and are invited to network with hospital leaders at all HOSPAC Leadership Receptions. It's a win-win for everyone!
