

Seasonal Employment Verification Form:

Household members who work on a 12-month contract but will be paid over a period of less than 12 months are considered to receive seasonal employment income. School district employees may be the most common example of this situation. For example, some teachers get paid for 9 months but have a 12-month contract.

Seasonal employees are required to provide 12 months of income documentation. If pay stubs are not available, the employee may request the employer to complete the information below.
