Dear Mr. Friesen:

Thank you for your recent presentation to the Lethbridge Chamber of Commerce Board of Directors regarding the Re-development of Exhibition Park.

The following motion was accepted by the Lethbridge Chamber of Commerce Board of Directors at their regular meeting on February 27, 2013:

"It was moved and carried by the Lethbridge Chamber of Commerce Board of Directors that a letter of support be provided to Exhibition Park indicating support of their re-development project."

The Chamber recognizes and supports the value of having a trade and conference centre in Lethbridge that would support and enhance large scale conventions and events to the City.

Respectfully,

Darren Boras
President
Lethbridge Chamber of Commerce
