

# SW Division Winter Outing 2021

LOCATION: Harvest Assembly, 329 MO-32, Fair Play, MO 65649

DATE: January 29 & 30, 2021

COST: \$10.00 per person (no meals are provided)

Hello my friends! The Southwest Division will be having their winter outing January 29th and 30th at Harvest Assembly in Fair Play. This will be an outdoor event. Get Ready. All Courageous Royal Rangers are invited to brave the cold weather and bundle up, and sit next to a roaring fire with camp chairs.

Bring a mask. They must be worn when social distancing can not be maintained.

We will be having a Frontier Trace style event, with tomahawk and knife competitions, flint and steel competitions, outfit judging, trading, stump preaching, and more. We will be having council fire services. Please be praying for this event and that many may be blessed by it.

Food will be on an outpost level. Outposts will need to coordinate their own food for the weekend.

Outpost 97 will be having a winter camping merit requirement class. If you would like to attend, bring a tarp (8x10 or more) and 100 feet of corsage. The book work must be done in advance.

A suggestion on what to bring:

- A winter sleeping bag, or a lot of blankets.
- A sleeping pad(s)
