

Call for Papers

Workshop on Empirical Monetary Economics 2020

December 9-10, 2020

Online (via Zoom)

Objective

The purpose of this workshop is to provide the opportunity to discuss and promote topical empirical research related to all areas of monetary economics. Some particularly relevant topics are:

- The identification of the various transmission channels of monetary policy
- Risks associated to uncertainty and the role of monetary policy in this context
- Central bank balance sheet policies, helicopter money and fiscal policy interactions
- Financial stability, interaction between monetary and prudential policies
- Communication strategies and the role of firms' and households' expectations

Keynote speaker

- [Emi Nakamura](#) (UC Berkeley)

Submissions

Please submit a full paper in PDF format to eme.workshop@sciencespo.fr. The deadline for submissions is **November 15, 2020**. Decisions will be notified shortly after.

Practical information

This two-day workshop will take place online.
