

# Indoor and Outdoor Participant Requirements

Please be aware of the following guidelines when participating in ALL Jacksonville Community Center activities:

1. Pre-registration is strongly encouraged. If you do not pre-register, you will be required to fill out a waiver each time you participate in one of our programs.
2. Participants will **not** be required to use face coverings while they are participating in a Jacksonville Community Center activity.
  - a. However, OHA **strongly recommends** that individuals who are unvaccinated or who are at risk for severe COVID-19 disease continue to wear a mask, face covering or face shield when in outdoor crowded areas or in indoor gatherings, and maintain physical distancing.
  - b. People who choose to continue to wear a mask at our activities for any reason will be supported in their decision to do so.
3. Please be respectful of others' space as we transition to events that do not require masks or distancing.
