

## Professional Development Award Application

### Section One: Overview

#### Southern California Women's Caucus for Art (SCWCA) Professional Development Award

We are seeking women who would like an opportunity to be part of a larger group but may lack the funds to do so. All those who are selected will be asked to make a commitment to participate in SCWCA events, which include meet ups and exhibitions and to complete the feedback report on an annual basis.

Students and early or mid-career artists who identify as women may apply for this scholarship, which includes a two-year membership in SCWCA (\$150 value), a chance to participate in chapter exhibitions and other member events, an opportunity to receive mentoring (portfolio review, assistance with artist statement and other artist concerns), plus a one-time stipend of \$150.

The award will be given to two (2) recipients each year. Be sure to sign, date and return the application to [dellislove@gmail.com](mailto:dellislove@gmail.com) by August 31.
