

Higher Education Emergency Relief Fund (HEERF) Coronavirus Response and Relief Supplemental Appropriations Act, 2021

On December 27, 2020, President Trump signed into law the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA), 2021. This law makes available approximately \$22.7 billion for institutions of higher education under the Higher Education Emergency Relief fund (HEERF), with funding appropriated for the existing programs previously authorized under the CARES ACT, as well as funding for a new program authorized under the CRRSAA.

On January 15, 2021, the Secretary announced the availability of new HEERF grant funding under section 314 (a)(1) of the CRRSAA inviting applications from public and nonprofit institutions and **proprietary schools (for students)** that did not previously receive funding. This program, with some changes, are a continuation of the CARES Act section 18004(a)(1) program which the department implemented as two funding streams: the Student Aid Portion (CFSA 84.425E) and the Institutional Portion (CFDA 84.425F) for institutional uses of funds related to the coronavirus.

On February 26, 2021, Parisian Spa Institute was selected for the recent HEERFS II supplemental funding pursuant to the allocation table for each higher education campus with Parisian Spa Institute's allocation of \$134, 084 to distribute amongst eligible students.

The program is to provide financial aid grants to students for any emergency costs that arise due to coronavirus such as tuition, cost of attendance, food, housing, health care (including mental health care needs), or child care.

Parisian Spa Institute acknowledges that it retains discretion to determine the amount and availability of each individual financial aid grant consistent with all applicable laws, including non-discrimination laws.

The formula for distributing funds is as follows: Total number of **ALL** currently "enrolled" students at **receipt of funds** divided into total funds received.

In consideration for this award, Parisian Spa Institute agrees to hold these grant funds in trust for students and act in the nature of a fiduciary for students.

Parisian Spa Institute must promptly and to the greatest extent practicable distribute all grant funds from this award in the form of financial aid grants to students within the one year award period of performance.
