DINING SERVICES:

It's been great to have both dining rooms open again and seeing everyone. We appreciate your patience with the reservation system, we know this change is not easy. Of course, there are some kinks that need to be worked out, but we are heading in the right direction but again please continue to have patience as we move ahead.

We have added the Vegetarian option rotating daily, please allow an extra 10 minutes as we will be making them fresh to order. I have heard many residents say they have enjoyed these options. We

have been monitoring the production at it's been successful. Just a friendly reminder: Reservations are by time not table.

WALKERS: The dining staff knows how important of walkers especially for mobility, but walkers in the dining room create a safety hazard for our servers and other residents. The dining staff will remove your walker after you have gone to the salad bar. For the safety purposes they will not be permitted to be kept inside the dining rooms for the rest of your dining experience. We will be working on a walker valet program to help identify your walker when it is being stored.

Now a little about the dining room team. We can't express how happy we are to hear all the great things you are saying about the servers. They do enjoy serving you and giving 100% effort in making your dining experience a pleasant one. We are very proud of them.

***Menu Change* Sunday July 25 the dessert will be Classic Coffee Cake.**

By popular demand, a Community table will be available in the Crystal Dining Room starting Monday July 26th – If you would like to be seated at the community that table, it will open at 5:30 pm. Please check in with the host.

Have a great weekend, Mike and Team.

MAINTENANCE:

Our vendor Allstar plumbing has now completed the replacement of the 63 series AC riser valves. Maintenance will begin to patch and paint the holes that are pending in those units. Thank you to those residents for their patience as we finish this work.

Maintenance has now cleaned the fountain and pond in front of building...enjoy!

Wishing all a wonderful weekend, on behalf of the Sodexo and PMP staff, *Lisa*
