

# Attention Homeowners

We, The Board of Directors, continue to monitor the ongoing Covid-19 situation and continue to receive updates from our Attorney and Campbell Property Management.

The Lakes Club House will not be available for use until at least the end of May. Based on this, we will hold our future Board Meetings via teleconference at 978-990-5354 pin number 316178#. An Agenda will be posted several days prior to each board meeting on the mail box bulletin boards and our website.

Please continue to monitor the bulletin boards, website and email for further updates as they occur.
