

The Total Music Experience CAMP!

TWO SESSIONS!

****June 10-14 **August 5-9****

9 am-12 pm

This day camp is designed to give your beginner musician a taste of what we offer at David's Music House. Students will be grouped by ability and age and visit stations around our space exploring recording, singing, performance, voice and ear training, and group collaboration. These mini classes will commence with a recording of your student on a CD to bring home. Students will even design their own CD case! A great experience for students who know how to play an instrument, or students who are curious about the process.

Call to reserve a spot TODAY!
