

## Network Health Annual Medicare Recertification Meetings - Save the Date - Registration Required

This year, we are having our In-Person Certification/Product Roll-out meeting at a Drive-In Theatre. The Milky Way Drive-In in Franklin, WI. This will allow us to still get together but yet be in your own vehicle during the presentation.

We are excited to share with you all of the great plan improvements we have made for 2021. Please make sure that you register for one of the options available by clicking on the invite below.

**This is a required meeting and 2021 Product testing will be made available following these meetings.**

We look forward to seeing you all.

Brian

**save the date | 2020 Agent Certification**

This event will be different from events we've held in the past, so you can stay safe and socially distanced during the coronavirus pandemic.

It will be a drive-in movie experience, where you stay in your car the entire time. You'll spend the afternoon enjoying lunch and a presentation from Network Health detailing 2021 plan changes.

Each agent who attends in-person will receive gifts and each event will have one grand prize winner.
