

2021 Medicare Plan Training

Please join HAP for a required webinar training session to learn everything you need to know about our 2021 HAP Medicare and Individual plan. Attendance of these meetings will satisfy the webinar requirement for Medicare Advantage once you complete the online course through Miramar. Field Marketing Organizations (FMO's) will also be hosting an event that you can attend for those agents that write under one. Choose the session that is most convenient for you and your team.

HAP will reimburse \$100 for certification, if you submit 10 Medicare Advantage applications for a 1/1/2021 effective date and they stay on the books for 90 days.
