

Do we **PROTECT & PRESERVE** our pristine South Carolina coastline?

Or do we **JEOPARDIZE** our tourism, fishing and marine life?

**** Learn about proposed off-shore drilling
for oil & gas in the Carolinas ****

**Open Community Forum
TUESDAY, June 23, 2015 * 5:00 pm**

North Myrtle Beach Historical Museum, 799 2nd Ave. North, NMB, SC 29582

Guest Speaker: Peg Howell

Ms. Howell is a former petroleum engineer with experience working on oil rigs in the Gulf of Mexico and the North Sea. A resident of Georgetown County, she is a powerful speaker about the true risks in off-shore, deep water drilling for fossil fuels.

Sponsored by the Grand Strand's grassroots organization
