*Koinonia Senior Care* offers to coordinate non-medical CARE for your loved one using your list of family, friends, neighbors, and church family. When your list of individuals is not available, *KSC* provides private pay CARE services.

Currently, transportation is donation-based but only available as volunteers are available. We are working toward a better solution to this community need.

*Koinonia Senior Care* is a 501(c)3, non-profit organization. We gratefully accept donations in honor of or in memory of your loved one, as well as in appreciation for our ministry.
