

# SUPER RAFFLE

A CAUSE THAT SUPPORTS THE YOUTH ATHLETES OF TODAY AND PROFESSIONALS OF TOMORROW

The Super Raffle benefits the youth players and competitive teams of Albion SC, a 501(c)(3) non-profit organization. The Albion SC Super Raffle is the most important fundraiser of the year for the organization. The proceeds have remained part of the Club's operational budget for many years and serves the Club in helping offset many of the day to day operational needs of the organization.

Albion SC provides our youth players with elite programming to play competitive soccer as well as helping to build a pathway to potential collegiate scholarships and beyond. The raffle empowers our players with the leadership opportunity to take ownership and responsibility for part of their training costs and needs, helps them to support their parents for their efforts, and collectively assists their teams in raising funds to tournaments and travel. Selling raffle tickets also teaches our players essential skills such as entrepreneurship and commitment, which they can use to be successful today and in the future.

Raffle Drawing will be at a date and place, to be determined, in November, 2019. The draw date will be posted on the Albion Super Raffle website at [www.albionsuperraffle.com](http://www.albionsuperraffle.com).
