

SPONSORSHIP PROPOSAL

CLEARVIEW SPORTS

Clearviewmedia Productions LLC was founded in February 2015 by filmmaker Lavert Brown, with the primary focus of showcasing student athletes development and skills through cinematography with a clear view in mind.

Clearviewmedia or CM specializes in documentaries, sports programming, music films, commercials, and social media marketing. As a film production company based in Akron Ohio, CM operates in all 50 States throughout the United States and offer a coast to coast network of professional partners.

Today's film industry pursues a wide range of objectives which reflect the complexity of social relations within a modern society. CM is not just about making profits but rather enriching local communities and bringing families closer together. Ten percent of CM proceeds are donated to a nonprofit mentorship program and aiding with sponsorship. Obtaining sponsorship is a great way our video production company serves as a missing link to employ our services to local communities with our audience insight, brand visibility, and much more. Target marketing provides our clients a chance to achieve their goals of going to College obtainable and affordable. Sponsorship helps organization's to reflect these wider community interests, and projects more efficiently.

In an effort to expand our services we are seeking sponsorships. We are starting a live streaming channel to connect the various networks of communities, and businesses in Northeast Ohio and across the country. As a kick off to our channel we are hosting our 2nd annual CLEARVIEWMEDIA SPORTS ALL GIRL'S SHOWCASE
