## THREE COMMUNING PRAYERS

---

### PREPARATION

---

Practice these prayers of reverence in a devotional setting...

### MEDITATION – REPEAT THESE SHORT PHRASES

#### I. **“Consuming Fire, seal me with Your love.”**

-based on Song of Songs 8:6-7 and Duet. 4:24

Start gazing on this bright radiant Person, Jesus Christ. Use your prayer language. Pray in tongues sparingly. *“I thank God I speak in tongues more than you all.”* (1Cor. 14:18) Set your face toward Him, lift up your voice. You will soon experience a “lock in” factor.

#### II. **“Majestic Brightness, fascinate me with Your beauty.”**

-based on Ps. 27:4 and Rev. 4:3-8

Set your mind to focus on the three levels of His beauty.

*External beauty*—picture the beauty of Lord (Ps. 27:4), the beauty of all creation in His majesty. *Internal beauty*—the gaze of adoration, “...beholding as in a mirror the glory of the Lord, being transformed into the same image...” (1Cor.3:18)

*Eternal beauty*—the glory of the resurrection - Jn. 11:25 Jesus is the resurrection and the life.

Picture now what heaven will be like spending eternity with Jesus and the saints

#### III. **“River of Life, immerse me in Your presence.”**

-based on Jn. 4:14, 7:38

Hold the Lord in reverence of His affections. It is the weak glance of a lovesick heart that successfully pierces His mighty heart. We must be eager to go deep.
