

FILL IN THE BLANKS

There once was a(n) _____ ogre who lived
in a _____ cave. His cave was filled with
_____, every day of the year! He tried to
_____ them but they never left. He just
wanted some _____ to himself. One
Halloween night, he had a _____ idea!
Why not get them to go out _____?
Oh, the possibilities! When they finally _____,
he felt so _____! He could _____
and _____ as much as he wanted! He
had all the _____ to himself! But.....then he
started to feel _____. He didn't like that!
He was so _____ when they finally returned!

CONNECT THE CANDY

Grab a friend and take turns drawing one line, up, down or across. The first person to complete a square wins that square. Whoever gets the most squares is the winner. *Spidey took the first one!*
