

Practice Field Assignment Guidelines

The soccer operations manager shall assign practice fields starting with the oldest then highest level of play first available choice and moving downward before starting at the top to get a second choice selected using the following criteria for field preference:

- a. Head coaches of multiple teams to ensure no crossover
- b. Teams with the largest showing at any field work days as set by the field & equipment manager.
- c. Age group or Division level – starting at U19 thru U-8
- d. Bracketing level within age group – example: U-12 team 1, U-12 team 2, etc.
- e. Coin-flip where there is an exact match of the above criteria.
