### Step 2: Pick a Bar

We are happy to customize any menu at your request.

#### Option 1

##### Cash Bar

With many hosts concerned about total expenses, a cash bar will provide your guests with all of the signature services of Historic Jordan Springs with none of the expense.

A cash bar costs NOTHING for the host to add to the event, and your guests can feel free to run their own tab as we take cash as well as all major credit cards.

\$0/person

#### Option 2

##### Beer/Wine Tab

Keep a handle on your expenses while still treating your guests to the host-paid option of beer, wine, and sodas. Preset your tab at whatever you choose: \$100, \$250, \$500, etc and once that amount is gone, it simply turns to a cash bar.

Or, you may also wish to have a "reserve" of say another \$100 or \$200 that you can always add in once you reach your initial tab.

##### House Beer Selections:

Bud Light  
Yuengling  
Mich Ultra  
Heineken

##### Sommelier-Chosen Wines:

Sangria  
House Reds  
House Whites

\$0/person

Total Dollar Amount is Host-set.\*

#### Option 3

##### Open Bar

Show your guests how much you really appreciate them by treating them to a completely open bar, either house level or top shelf, depending on your budget. This will allow your guests to drink for a set number of hours, rather than a set dollar amount as in Option 2. Includes beer, wine, liquor, and sodas.

Nothing says "PARTY" like an open bar!

##### Package 1: Top Shelf\*

\$19.95/First Hour  
\$9.50/Hour After

##### Package 2: House Shelf\*

\$17.95/First Hour  
\$8.50/Hour After

\*Excludes Taxes & Service Charge
